So the joint resolution (S.J. Res. 44) was passed.

The preamble was agreed to.

The joint resolution, with its preamble, is as follows:

S.J. RES. 44

Whereas beginning on February 24, 1993, President Clinton committed the United

States to participate in implementing a peace agreement in Bosnia and Herzegovina without prior consultation with Congress;

Whereas the Republic of Bosnia and Herzegovina has been unjustly denied the means to defend itself through the imposition of a United Nations arms embargo;

Whereas the United Nations Charter states the "the inherent right of individual and collective self-defense," a right denied the Republic of Bosnia and Herzegovina whose population has further suffered egregious violations of the international law of war including ethnic cleansing by Serbian aggressors, and the Convention on Prevention and Punishment of the Crime of Genocide, to which the United States Senate gave its advice and consent in 1986;

Whereas the United States Congress has repeatedly voted to end the United States participation in the international arms embargo on the Republic of Bosnia and Herzegovina as the best way to achieve a military balance and a just and stable peace without the deployment of United States Armed Forces in Bosnia and Herzegovina;

Whereas the Republic of Bosnia and Herzegovina, the Republic of Croatia, and the Federal Republic of Yugoslavia initialed the General Framework Agreement and Associated Annexes on November 21, 1995 in Dayton, Ohio, after repeated assurances that the United States would send troops to assist in implementing that agreement;

Whereas three dedicated American diplomats—Bob Frasure, Joe Kruzel, and Nelson Drew—lost their lives in the American-led diplomatic effort which culminated in the General Framework Agreement;

Whereas as part of the negotiations which led to the General Framework Agreement, the United States has made a commitment to ensure that the Federation of Bosnia and Herzegovina is armed and trained to provide for its own defense, and that commitment should be honored;

Whereas the mission of the NATO Implementation Force is to create a secure environment to provide Bosnia and Herzegovina an opportunity to begin to establish a durable peace, which requires the Federation of Bosnia and Herzegovina to be able to provide for its own defense;

Whereas the objective of the United States in deploying United States Armed Forces to Bosnia and Herzegovina can only be successful if the Federation of Bosnia and Herzegovina is armed and trained to provide for its own defense after the withdrawal of the NATO Implementation Force and the United States Armed Forces; and

Whereas in deciding to participate in implementation of the General Framework Agreement in Bosnia and Herzegovina, President Clinton has cited American interests including maintaining its leadership in NATO, preventing the spread of the conflict, stopping the tragic loss of life, and fulfilling American commitments;

Whereas on December 3, 1995, President Clinton approved Operation Joint Endeavor and deployment of United States Armed Forces to Bosnia and Herzegovina began immediately thereafter: Now therefore be it

Resolved by the Senate and the House of Representatives of the United States of America in Congress assembled,

SECTION 1. SUPPORT FOR UNITED STATES ARMED FORCES.

The Congress unequivocally supports the men and women of our Armed Forces who are carrying out their missions in support of peace in Bosnia and Herzegovina with professional excellence, dedicated patriotism and exemplary bravery, and believes they must be given all necessary resources and support to carry out their mission and ensure their security.

SEC. 2. DEPLOYMENT OF UNITED STATES ARMED FORCES.

(a) Notwithstanding reservations expressed about President Clinton's decision to deploy United States Armed Forces to Bosnia and Herzegovina and recognizing that:

(1) the President has decided to deploy United States Armed Forces to implement the General Framework Agreement in Operation Joint Endeavor citing American interests in preventing the spread of conflict, maintaining its leadership in NATO, stopping the tragic loss of life, and fulfilling American commitments;

(2) the deployment of United States Armed Forces has begun; and

(3) preserving United States credibility is a strategic interest, the President may only fulfill his commitment to deploy United States Armed Forces in Bosnia and Herzegovina for approximately one year to implement the General Framework Agreement and Military Annex, pursuant to this Resolution, subject to the conditions in subsection (b).

(b) REQUIREMENT FOR DETERMINATION.—Before acting pursuant to this Resolution, the President shall make available to the Speaker of the House of Representatives and the President pro tempore of the Senate, his determination that—

(1) the mission of the NATO Implementation Force and United States Armed Forces deployed in Bosnia and Herzegovina will be limited to implementation of the military provisions of the Military Annex to the General Framework Agreement and measures deemed necessary to protect the safety of the NATO Implementation Force and United States Armed Forces;

(2) an integral part of the successful accomplishment of the U.S. objective in Bosnia and Herzegovina in deploying and withdrawing United States Armed Forces is the establishment of a military balance which enables the Federation of Bosnia and Herzegovina to provide for its own defense without depending on U.S. or other outside forces; and

(3) the United States will lead an immediate international effort, separate and apart from the NATO Implementation Force and consistent with United Nations Security Council Resolution 1021 and the General Framework Agreement and Associated Annexes, to provide equipment, arms, training and related logistics assistance of the highest possible quality to ensure the Federation of Bosnia and Herzegovina can provide for its own defense, including, as necessary, using existing military drawdown authorities and requesting such additional authority as may be necessary.

SEC. 3. REPORT ON EFFORTS TO ENABLE THE FEDERATION OF BOSNIA AND HERZEGOVINA TO PROVIDE FOR ITS OWN DEFENSE.

Within 30 days after enactment, the President shall submit a detailed report on his plan to assist the Federation of Bosnia to provide for its own defense, including the role of the United States and other countries in providing such assistance. (b) Such reports shall include a description of any changes in the areas listed in (a)(1) through (a)(10) since the previous report, if applicable, and shall be submitted in unclassified form, but may contain a classified annex.

SEC. 5. REPORTS TO CONGRESS ON NON-MILITARY ASPECTS OF IMPLEMENTATION OF THE GENERAL FRAMEWORK AGREEMENT.

Thirty days after enactment, and at least once every 60 days thereafter, the President shall submit to the Congress a report on:

Mr. DOLE. Mr. President, I move to reconsider the vote.

Mr. DASCHLE. I move to lay that motion on the table.

The motion to lay on the table was agreed to.

Mr. DOLE. Mr. President, let me thank all of my colleagues, as I have indicated before.

On tomorrow, we will take up the Interior conference report, with 6 hours of debate. We will start that at 10:30 a.m. From 9:30 to 10:30, we will have a period for the transaction of morning business.

MORNING BUSINESS

Mr. DOLE. Mr. President, I now ask unanimous consent that there be a period for the transaction of routine morning business with members permitted to speak therein for up to 5 minutes each.

The VICE PRESIDENT. Without objection, it is so ordered.

SENIOR CITIZEN FREEDOM TO WORK ACT

Mr. DOLE. Mr. President, I am pleased to introduce the Senior Citizens' Freedom to Work Act with my colleagues, Senators MCCAIN and ROTH.

This bill would provide long overdue relief for our senior citizens. It would remove a significant impediment that deters seniors from continuing to work. Under the bill, seniors could earn up to \$30,000 by the year 2002 without affecting their Social Security benefits.

I intend to work for enactment of the legislation this year to begin immediately lifting the unreasonably low earnings limit. We will phase in the increase over the next 7 years from the current level of \$11,280 to \$30,000.

This legislation is important for the economy. Continuation of the current policy, which does not utilize the experience and productivity of our seniors, is wasteful and short-sighted.

This legislation is also important for the protection of the Social Security and Medicare trust funds. The bill clarifies that the Secretary of the Treasury is not authorized to under in-

vest and/or disinvest Social Security and Medicare trust fund monies in Federal securities or obligations in order to avoid the limitations on the public debt.

I urge my colleagues in the Senate to support this effort. Specifically, I urge my colleagues on the Finance Committee to join with me to report the bill out of committee tomorrow.

THE NEW READY OR NOT PROGRAM TO COMBAT UNDERAGE DRINKING

Mr. DASCHLE. Mr. President, every day in Congress, we tackle some of the most pressing problems facing our nation. But sometimes, the best solutions don't come from the Capitol. They come from homes and schools and community organizations that you find in every town and city, all across the country. That's what a new program called "Ready or Not: Talking with Kids About Alcohol," is all about.

If you have kids, you know that telling them to "just say no" to alcohol doesn't always work. Kids want to know why they should say no. "Ready or Not" is a new video educational program that's designed to help parents and other adult supervisors answer that question for kids between the ages of 10 and 14.

"Ready or Not" is a joint effort of the Boys & Girls Clubs of America and the Century Council, an organization funded by the alcohol industry. It was introduced just after Thanksgiving, and it's already making an impact. I want to congratulate the Boys and Girls Club and the Century Council for all the time and energy they've invested in this important program.

I also want to commend my 36 colleagues in the House and Senate who have joined me in officially endorsing this life-saving project.

A recent survey of America's pre-teens—pre-teens—shows that about four in 10 expect to have problems handling situations involving the use of alcohol. Another survey by the University of Michigan found that, in 1994, more than a quarter of America's eighth-graders reported drinking alcohol in the last month. And, more and more kids are becoming "binge drinkers."

We know from our experience in combating teen smoking that if you reach kids early and tell them the truth, they're far more likely to make good decisions about their health. "Ready or Not" will help us replicate that success, we hope, with teen drinking.

There are two reasons that "Ready or Not" targets kids between the ages of 10 and 14. First, that's when many "problem drinkers" first start experimenting with alcohol. Second, and more important, parents and other adults still have a lot of influence over kids at that age. With the help of "Ready or Not," we can reach kids who are in danger of abusing alcohol, and prevent problems before they start.
